

INVITATION TO THE BREMEN MASS SPECTROMETRY SEMINAR

The Bremen Mass Spectrometry Seminar cordially invites you to a lecture by

RALF ZIMMERMANN

Professor, Director

Joint Mass Spectrometry Centre,
Helmholtz Zentrum München /
University of Rostock

Combustion, crude oil, coffee roasting and aerosols: Analysis of complex materials and thermal processes by Photo-Ionisation Mass Spectrometry

on Wednesday, Mar 19th, 2014, at 16:00

at Max Planck Institute for Marine Microbiology (new lecture hall)

Ralf Zimmermann's main interests are in development of novel analytical methods, in particular, photoionisation mass spectrometry.

There will be a small reception with wine and cheese after the seminar
(sponsored by Thermo Fisher Scientific and Bruker Daltonics).

The Bremen Mass Spectrometry Seminar hosts monthly talks on mass spectrometry technology and applications. For more information about the Seminar and upcoming speakers, please visit <http://www.bremen-ms-seminar.de/>
